1. Hauck Power Sports is currently taking orders for Yamaha's all new Apex. The Apex will change snowmobiling as you know it. With the revolutionary new power steering and many other new features the Apex will be the "must have" sled of 2011! With Apex, you'll ride harder, faster, longer and feel great at the end of the day! Ask your salesman for the exciting details when we come back to your call.
2. Hauck Power Sports is a full line Yamaha dealer and a Pro Yamaha Star specialist. The highest sales and service award available for Yamaha. Hauck Power Sports stock Yamaha Cycles, ATVs, Wave Runners and generators. We are your one stop Yamaha specialist in the Northwest Wisconsin. Store hours are weekdays 9 to 5:30, and Saturday 9 to 3.
3. Along with original Yamaha Parts and accessories Hauck Power Sports has clothing and add-ons by Castle, Fox, HJC and Thor among others. We offer parts and service for all makes and models for Cycles, ATVs and Snowmobiles. Our service department is Yamaha gold certified and star specialist. Of course...no one makes your Yamaha go as fast as Hauck Power Sports can!
4. In 2010 Hauck Power Sports went to Port Huron, Michigan for the World Series on Ice and came home with a 1st place on our Yamaha Apex Improver. In February Hauck Power Sports and Darkside Racing set a radar record speed of 110 miles per hour in one thousand feet on a stock Apex with a Hauck Power Sports number 5 clutch kit. 2011 promises more podiums for Hauck Power products. "Yamaha and Hauck Power Sports, a combination of domination!"
